

Fort Steuben Scout Reservation

Evening Program Guide

Sunday

Opening Campfire

Monday

Steuben After-Hours

Fort Steuben After-Hours is all about you, so join us for an evening of exciting activities sponsored by all of your favorite program areas!

Scoutcraft: The 137th Annual Dutch oven Cook-off

- That's right folks, everyone's favorite collection of confectionary confabulation returns to Fort Steuben again this year! Participate as a team of up to 4 or as an individual to wow the judges with your perfection of the ancient art of cooking with hot coals and cast iron. Winners for each category will be awarded a collectible Golden Oven filled with prizes.

Nature Center: Nature Jeopardy

- Do you like showing off all of your scouting knowledge? Do you like competing against fellow scouts? Do you like winning cool and unique prizes while challenging your mind? Then Nature Jeopardy is for you! Join the Nature staff in the Council Ring and face off against other scouts. Take on the competition as a team or, for you brainy types, challenge everyone by yourself. There will be separate prizes for individual and team performances for each game.

Shooting Sports: Action Paintball Range

- Brand new for the 2015 camping season, the Fort Steuben Action Paintball Range is an exciting field-shooting experience chock full of targets. Try setting the course record for speed and accuracy, or take your time and enjoy this unique foray into the field of shooting sports crossed with abstract art.

Sports Center: Staff Challenge

- Do you like sports? The Fort Steuben staff certainly does! Come play a friendly game of Volleyball, Basketball, Soccer, or Ultimate Frisbee with the staff playing on both teams. Or if you think you can beat them, challenge the staff to an epic showdown of strength and agility. Winning will earn your team the right to be enshrined in the Sportsball Hall of Fame alongside other legends of the arena.

Handicraft: Tie-Dye T-Shirts

- Despite all the memories you'll be making during your week at camp, it is always a good idea to bring home something to remember it by. Take some time to stop by Handicraft and make your own After-Hours T-Shirt then have your favorite staff members sign it before you leave at the end of the week for a truly one-of-a-kind souvenir commemorating your time with us.

Tuesday

Rock the Dock

- Take a break from the heat and join us on the beach as we celebrate all the amazing things we love about camp. Rock the Dock will feature music provided by our very own DJs Shocker and Lemon Sherbert! Activities will include a variety of games, hosted by our illustrious camp celebrity – the notorious T.O.N.Y., as well as a Blob and this year's newest attraction: Adventure Mountain – a 20ft tall floating island with slides, climbing walls, and even a rope swing!

Wednesday

Family Night & The All-American Cookout

- So you've spent a few days at camp, made some new friends, did some cool things, and learned a little bit. Family Night is your chance to show your parents everything you've been doing so far! Whether it's showing off your latest creation at Handicraft, playing Volleyball with your family, having them meet your favorite staff member, taking a swim at the lakefront or just grabbing some of our fire-grilled Hot Dogs and Hamburgers and taking them back to your campsite, there is something for all members of your family to enjoy!
- Activities will include:
 - o Cookout dinner with Hot Dogs and Hamburgers

- Open Swim with the Blob and Adventure Mountain
- Handicraft, Nature, and Scoutcraft Open House
- Volleyball, Basketball, Ultimate Frisbee, Soccer, and Frisbee Golf

Thursday

Frontier Night

- The focus of Frontier Night is the overnight experience, where members of the Trailblazer and Wilderness Survival programs will trek into the wilderness to spend the night sleeping under the stars. For the less adventurous campers we will offer a unique fishing experience from the deck of the camp Pontoon boat, the Jolly Scoutmaster, and the Action Paintball Range will be open once again to challengers. Of course, sometimes nothing quite beats a S'mores by the fire at your campsite with your friends.

Friday

Closing Campfire
